

7th Standard Parallel North through R 35 E.
Chain

On the night of Sept 23^d 1888. I took an observation on the Star Polaris in accordance with instructions contained in the Manual of Survey and drove pickets on the line thus established

Survey commenced September 24th 1888 with a Gunley's Solar Transit and properly tested Steel Chain

Before commencing this survey I test my compass on the line established last night and find it correct

I begin at the Standard Cor. to Tps 36 N. R's 35 & 36 E already described

Thence I run

West on S bdy of Sec 36

Var $17^{\circ} 35' E$.

Over nearly level ground

40.00 Find an old piece of board $\frac{1}{2}$ in thick
2 in wide 15 in long marked $\frac{1}{4} S$ but
