

GENERAL DESCRIPTION.

This Tp. is situated in an open valley between two ranges of mountains & is covered with rolling sand hills loose & drifting

These are covered with a dense undergrowth of grasswood & Sage brush as high as a man in many places, & very difficult to get through. It is impossible to drive through it.

There is no water anywhere in this Tp. & ^{the land} is scarcely of any value for any purposes.

The road from Blue Mountain to Jackson Creek crosses this Tp.
