

General Description

Prior to running and establishing the east, west and south boundaries of T. 5 N. R. 35 E. I established closing corners on the First Standard Parallel North, beginning, as per specific Instruction, at a point 41.41 chs. west of Standard Cor. to T. 6 N. R. 30 and 36 E. and at each mile west of this point until I arrived at the N.W. Cor. of said T. 5 N. R. 35 E. Hence the subdivisional lines in the northern tier of sections will be run north on a random line and corrected back on a true line.

Thomas George

U. S. Deputy Surveyor
