diligent search for $\frac{1}{2}$ cor. but
 am unable to find any trace
 of Cor-ner. I set a temporary
 post at this point. I now
 run South along the $\frac{1}{2}$
 line but am unable to find
 any trace of Corners. I
 therefore go to the Corner
 common to sections 30 & 31
 on the West line of $\frac{1}{2}$
 which is a willow. properly
 marked by witness. I run
 the $\frac{1}{2}$ & $\frac{1}{2}$ corners.
