23 E

dian.

M^r. Wisble

Meridian.

On Oct 16th 1894 I ran N on a blank line on the West boundary of section 31 and at 40 + 80 Chs. am unable to find any trace of old 1/4 + section corner. I therefore re-survey the same as follows.

The old sp. cor. to sps 32 + 33 N. R. 22 + 23 E is a post greatly decayed & the marks nearly all obliterated. I destroy all traces of this old corner and re-establish it at the same point as follows.

Set a ^{granite} rock 12 x 8 x 6 ins 8 ins in the ground for corner to sps 32 + 33 N R. 22 + 23 E marked,

33 N on NE

23 E on SE

32 N on SW

and 22 E on NW faces with notches on each edge dug pit 24 x 24 x 12 ins on each line N & W 4 ft and S of stone 8 ft. dist and raised a mound of earth 5 ft. base 2 1/2 ft. high S. of corner.
