From the corner to sees 13.18.19 & off I continue on my blank line N. finding old corners at irregular intervals and at 600 yds & 11 lks I find the corner to Tps. 36 & 37 N R. 22 & 23 E which is a rock firmly set & properly marked as described by the Surveyor General, to bear 80 lks W.

As this line is erroneous as to measurement & no subdivision lines have been closed upon it I re-survey the same as follows.
