

Subdivision of T. 38 N. R. 55 E.

Survey commenced June 23rd 1896
with a W & L. C. Guley light
mountain transit with solar attachment
as previously described, & the adjustments
of which I again test on the meridian
in my camp at Willow Creek Canal
& find correct.

The variation is $17^{\circ}28'E$

From the corner to secs. 1, 2, 35 & 36
already described,

Iron,
N bet secs. 35 & 36.
