

## T 32 N. R. 53 E

4000 E. on random bet sees 26 & 35  
 Set temp. 1/4 sec. cor.

At 8000 chs after diligent search  
 I am unable to find any trace  
 of old corner. I therefore re-survey  
 the line between sees 35 & 36 as  
 recorded on the next page in  
 order to properly close my work  
<sup>escaping effort of my corner at this point</sup>  
 & find the true corner at

7085 corner to sees 25, 26, 35 & 36 bears N.  
 18.8° dist.

Hence I run S 89° 52' W on true line  
 bet sees 26 & 35.
