T. 44 N. R. 60 E.

I began retracements in this township on July 23<sup>rd</sup> & continued daily to July 30. 99.

In this time nearly every line in the township was re-run and only very slight differences found

East bet Dees 3 & 10  
At the end of this line the examiner reported the cor. to Sect-3-10-11 about 2.50 Chs. out of line. The ground in this neighborhood has been much torn up by ~~coyotes~~ badgers and cattle. There is the appearance of a destroyed mound
