

East bdy T. #7 N., R. 62 E.

483.15 Int Idaho & Nevada bdy 19.60
Chs E. of 44th mile post wh. is
a post marked & witnessed
as described by the Surveyor
General. As the old notes show
this distance to be 506.73 Chs
I run east

60.40 Old notes say "In ravine near
edge of large snow bank placed
two stones on either side of huge
boulder on line"

I find huge boulder on line in
ravine but the two stones and
the large snow bank have
been removed.

I return to my intersection
point & continue north to the
distance given in old notes
& run east & west the stated
distances & find no evidence
