

Resurvey E. bdy 245 N, R. 62 E.

Aug 26" Begins survey of E bdy of T. with same inst. as used yesterday in survey of south bdy. As the instrument was tested yesterday and a meridian laid off at the beginning point of today's work I deem the agreement between yesterday pm & this am meridian sufficient proof that the adjustments are unchanged.

Aug 26" 7 am. Cont. At the old cor to Tps 44 + 45 N R. 62 + 63 E., changed by me yesterday to cor. to Tps. 44 + 45 N. R. 63 E. I set off $41^{\circ}42' N$ on lat arc & $10^{\circ}24' N$ on decl arc & run North on random line bet Rs. 62 + 63 E

26.00 Point set yesterday as int. of s. bdy 245 N R. 62 E.

Make diligent search at each 40 + 80 Chs and find no trace of corners.

480.60 Int 9" Stand Par. N. 0.72 Chs E of C.C. to 245 N, R. 62 + 63 E.
