

Re-survey of South Boundary of

T. 42 N., R. 62 E.

12 ins 6 ft south east and south-west of corner and raised mound of earth 4 ft base 2 ft high south of corner.

Continue my random line East from re-established corner
Make diligent search but fail to find any trace of 'u' cor.

473.80 At 35 lks N. find a limestone 12 x 8 x 5 ins above ground firmly set on a 6 notches on N. S. E. W. edges.

Traces of pits.

As I am as yet unable to decide as to the townships to which this stone is corner, it agreeing with the notes of survey in R 62 E & not agreeing with the notes of survey in R 63 E I make no change in the markings of this corner until later.
