

8th Sta parallel through R 55 E

From the S.C. of T 41 N R 55 W
and 55 E as previously reestablished
by me I run E on a flank line
On a body of Sec 31.

4410 S.C. 1/4 sec cor bears S 2 E
dist. Cor as described by D. G.

8318 Sta cor. Secs 31 and 32 bears S
24 E dist. Cor as described by D. G.
Continue line E on Ruby
Sec 32.

3835 Sta 1/4 sec cor bears N 10 E dist.
Cor is Md and pits a lake in E pit:

7850 The Sta cor of Secs. 32 and 33 bears
North 12 E dist. Cor is a stone
with mound of stone marked
and witnessed as described by
the Surveyor Gen of Nevada.
The 8th Sta having been resurveyed
in '96. and the excess thrown
against the old work at this
cor. and by special instruc-
tions I am ordered to throw
fractions against the Ruby
Valley Guide it is therefore
necessary to Resurvey the
8th Stand parallel from this
Cor east. Therefore I resurvey
as follows.
