

N Bdy I 417 R 54 E

From 80 ch. point in ^{line} ~~the~~ sec
4 and 5. I run E on blank line
after some search I find
Old $\frac{1}{4}$ sec cor. on N Bdy sec 4
which is a post badly decayed
set in a mound of stone
I run to this cor by setting
a quartzite stone $15 \times 10 \times 5$ in
10 in in the ground in exact
position of old $\frac{1}{4}$ sec cor.

Marked $\frac{1}{4}$ on ~~the~~ face. Ran a
mound of stone 2 ft base $1\frac{1}{2}$ ft high
of cor. Thence I run

W on true line on N Bdy sec
4. Over gently rolling land ^{from $\frac{1}{4}$ cor.}
through heavy sage-bush.
