

~~42~~ ²³⁸ Retracement of the

My closures on the north boundary
being in excess of limits and in
order to locate the error I commence
at the S.W. cor of Sec 31 T20 N R23 E
which is a stone firmly set, marked
and witnessed as described by the
Surveyor General and run

East on S bdy sec. ~~36~~ 31

1145 Closing corner.

4085 $\frac{1}{4}$ sec cor stone in mound of stone

$14 \times 12 \times 8$ marked $\frac{1}{4}$.

6800 Shallow ravine S.E.

8175 Trap rock 12 ins above ground properly
marked. I restore mound of stone
to the North
