No 24 North; Range No 24 East.

General Perada
September 10. 1900.
I begin at the cor to.
secs. 17, 2, 3 & 36 established
by me on November 19.
Nov. 22, at 8 hr A.M. by
my watch which I have
set to L. M. T. I set
off $39^{\circ} 56'$ on the Latitude
arc. and $20^{\circ} 4'$ S. on
the Declination arc
and determined a
true meridian with
solar I find this
identical with the
course which I should
run of N. $0^{\circ} 1'$ W. from
an included angle
on South Boundary.
thence I run North.
