 with 6 notches on N, E, S and W
 edges, T₃₀ N on N. E., T₂₉ N
 on S. W., R₄₉ E on S. E., R₄₈
 E on N. W. faces.

Pile impracticable

In description of all corners
 that are not in strict con-
 formity to the manual
 the reason therefore, that
 natural obstacles prevented
 and they were built in the
 most durable manner
 possible as described.
