

Subdivision of T. 35 N. R. 60 E.

Ch.

Aug. 20th 1903.

I began at the $\frac{1}{4}$ sec. cor.
bet. sec. 2, 24 and 25 and
set off $40^{\circ} 51'$ on the latitudinal arc and $12^{\circ} 44'$ on
the declination arc and
at 7^h 5^m L.M.T. determined a true meridian
with the solar.

Thence I run E. on random
line bet. sec's 2, 24 and 25

39.52

Fall 14 links S. of cor. to
sec's 2, 19, 24, 25 and 30.

Thence I run on true line
S. $89^{\circ} 48' W.$ bet. sec's 2, 24 and
25.

Pass along S. side of a great
Canyon that runs S. W.

39.52

The $\frac{1}{4}$ sec. cor. to sec's
24 and 25;

Found ~~39.52~~ close mountainous
Soil 2nd rate.

39.52 Ch.

Sagebrush, bunch grass.
