

## Subdivisions of T. 37N., R. 70E.

chains. East on true line bet. secs.  
28 and 33. Ascend.

28.90 Summit of mountain range  
NE. and S<sup>W</sup>.

Here I set a granite stone  
15x8x4 ins. in a pile of rocks  
on a cliff marked  $\frac{1}{4}$  WC on N.  
face for  $\frac{1}{4}$  sec. witness corner,  
and I raised a mound of  
stones,  $2\frac{1}{2}$  ft. base,  $1\frac{1}{2}$  ft high  
N. of cor.

Pits impracticable.

The country east of my station  
was too rough and precipi-  
tous to chain over so I set  
a flag in line east of my  
station and chained N. 10.00  
chs. from which point the  
flag bears S.  $75^{\circ}$  E. The  
distance on the line from  
WC. to flag is 37.32 chs.

Descend a very rough and  
stony slope.

92.70 Intersect state line on a  
north slope. Here I set  
a granite stone 15x10x6 ins.  
10 ins. in ground marked
