

T28 N. Bet Ranges 33 & 34 East.

In order to make the South Bdy of these townships an unbroken line I deem it best to run this range line South a sufficient distance to make the T. Cor. as nearly as may be East of the Cor to Tps 29 & 28 N Rs 32 & 33 E.

Survey commenced July 9th 1901 with same inst. described fully on page 1 of note of the resurvey of the Dyer standard. on June 1st.

By regular daily checks of flags by solar obs. I know the meridian is not changing on me

The adjustments being found correct on July 9th 1901 at 7 am at the Cor to T. 28 & 29 N. R 33 E I set off $40^{\circ}20'$ N. on lat. arc & $22^{\circ}26'$ N on decl arc and run as follows:
