Resurvey of Part of N. Bdy. T. 31. N. R. 46 E.

July 16. 1902.

At 7^h 30^m a. m., l. m. t. I set off $40^{\circ} 35'$ on the lat. arc. $21^{\circ} 45'$ on the decl. arc, and determine a true meridian with the solar at the S. E. cor. of Tp. 32. N. R. 46 E.

Thence I retrace the Tp bdy. line W. for two miles and find the monument poor and the measurements variable so that it becomes necessary to resurvey this portion of the bdy. and accordingly I begin and run N. $88^{\circ} 26'$ W. bet Secs. 1, and 36 from the S. E. cor. of Tp. 32 N. R. 46 E.

15.00 Ridge bears S. W.
38.47 Intersect $\frac{1}{4}$ cor.
45.00 Draw bears S. W.
77.30 Intersect cor. of secs. 1 and 2.
Land 77. 30^{chs.} mountainous
Soil 2nd rate.
Sagebrush, bunch grass.
