

Resurvey of W. Bdy. T. 20 N. R. 22 E.

Chains	line
200.15	Trace of old rock mound on line
240.00	Old sec. cov. bears N. 10 lbs. dist
280.00	No trace of old $\frac{1}{4}$ sec. cov.
313.40	Intersect 4 th Std. Parallel N. at old closing corner, an undecorized stone in mound of stone. The Std. cov. to T. 21 N., Rgs. 21 and 22 E. bears E. 14.80 chs.

The corners being badly dilapidated, out of alignment and at improper distances I resurvey as follows:
 Set a volcanic stone 16x10x8 ins. in a mound of stone 3 ft. base, 2 ft. high for closing cor. of T. 20 N., Rgs. 21 and 22 E. marked with 6 grooves on E. W. and S. faces, cc on S. face, from which a Cedar 8 ins. diam. bears.
