

Subs. T. 42 N.R. 54 E.

Note.

When Corners are not strictly in accordance with instructions, in the manual, it was impractical to do so, but they were set in the most durable manner possible.

Where size of pits is not stated in notes, they were built 18 X 18 X 12 ins. and mounds were 5ft. base by 2 1/2 ft. high of earth.
