

Chain Land mountainous.
 Soil, rocky; 4th rate.
 No timber.
 Mountainous land 26.32 chs.
 Sept. 8, 1904.

Note: - The necessity of using two sets of chainmen on the retracement and resurvey of this 29.63 chs. of the 3^d Standard Paralleel was overlooked entirely.

It will be noted also that the plural pronoun "we" is used in writing these notes instead of the singular pronoun "I" because we both worked continuously on this job taking turns at different positions from time to time.

We forgot to note from day to day who was
