

East Boundary Township 31 N., R. 51 E. M. D. M.

From Standard Township corner to Tp.

31 N. R. 52 E., M. D. M. as just established

I run south on a random line on east boundary of Section 36.

30.30

~~71.10~~  
~~70.30~~

Set temporary  $\frac{1}{4}$  section corner.

Intersect Sixth Standard Parallel North at a point 15 links west of temporary Standard Township corner, the S. E. corner of Township 31 N. R. 51 E., which I previously set on the extension of said Sixth Standard. At point of intersection which is 65.50 chains east of the Standard section corner to Sections 35 and 36 Tp. 31 N. R. 51 E., M. D. M., I set a basalt stone 20x10x10 inches 13 inches in the ground marked S. C. 6 grooves on north and 6 grooves on west faces for Standard Tp. corner, the S. E. corner of Tp. 31 N. R. 51 E., M. D. M.; dug pits 36 x 36 x 12 inches on each line west 8 feet and north of stone 8 feet distant; raised a mound of stone 5 feet base  $2\frac{1}{2}$  feet high north <sup>W.</sup> of corner; thence I run north from said corner just established on a true line on east boundary of Section 36.

Ascend steep slope.
