

## East Boundary Township 31 N.R.51 E., M.D.M.

69.40 Draw 10 feet below top of spur, course N.70°E.

Ascend.

79.40 The standard Township corner, the S.W. corner of Tp.31 N.R.52 E., M.D.M.

Land mountainous; soil rocky third rate; no timber; growth of sage brush and bunch grass.

Mountainous lands 79.40 chains.

From the corner of Sections 1, 6, 7 and 12 Tp.31 N.R.<sup>and</sup>~~51~~52 E., M.D.M., which I re-established I run north between Sections 1 and 6 on <sup>Random line</sup> re-survey.

5.90 Old road leading from Palisade to Pine Valley bears S.70°W. and N.70°E.

9.35 Eureka and Palisade wagon road bears N.60°W. and S.60°E.

15.00 Begin steep ascent.

40.00 To a point 3 links east of  $\frac{1}{4}$  section corner which is a basalt stone 12x10x8 inches marked  $\frac{1}{4}$  on west face, said stone was on surface of ground; no mound or pits. I re-establish corner by setting stone 8 inches in the ground, dug pits 18x18x12 inches north and south of stone 3 feet distant; raised a mound
