and raise a mound of stone, 2 ft. base,
1½ ft. high, N. of cor.

The country being exceedingly rough and
mountainous, I discontinue the
line at this point.

Land, mountainous.

Soil, rocky; 4th rate.

No timber.

Mountainous land, 39.20 chs.

Sept. 2, 1911

General Description.

This township is exceedingly rough and
mountainous, being crossed by deep cañons
and precipitous ridges; and is valueless
from an agricultural point of view, with
the exception of a small portion along
the Meadow Valley Wash, which crosses
the township, running in a South Eastern
direction.
