

Retracement of E. Bdy. T. 15 N., R. 26 E.

Chains July 29, 1913

From the cor. of secs. 7, 12, 13 and 18 on E. bdy of Tps. I retrace north bet. secs. 7 and 12

40.00

Intersect the old $\frac{1}{4}$ cor. of secs. 7 and 12, which is a basalt stone 8x6x20 ins. above ground, firmly set in a mound of stone, marked and witnessed as described by the Surveyor General.

75.51

I continue my retracement north intersect the old cor. of secs. 1, 6, 7 and 12. This cor. being badly out of position I continue my retracement north, finding the old cor. in alignment but about 4.50 chs south of their position as defined in the original field notes. At 149.19 chs. I intersect the 3rd Standard Parallel North at the closing cor. of Tps. 15 N. Rs. 26 and 27 E. which is a basalt stone 8x8x12 ins. above ground, firmly set, marked and witnessed as described by the Surveyor General.

As there are no subdivisions depending upon the northern portion of this boundary I return to the $\frac{1}{4}$ cor. of secs. 7 and 12 and resurvey the north $1\frac{1}{2}$ miles of this boundary as follows:

From the $\frac{1}{4}$ cor. of secs. 7 and 12 I run

5.00

north on true line bet. secs. 7 and 12
Over mountainous land, descend
Wash. 50 lbs. wide, course west
and ascend steep slope

20.00

Descend

28.90

Gulch, course S 70° W, ascend
