Ch	0	7	m	-
ULL	Ch	_	I-1	

Retraced by A.T.Harris: July 21,1914. At 8h. 45m.a.m., l.m.t., I set off 40°35' N. on the lat. arc; 20° 34'N. on the decl. arc; determine a meridian with the solar at the cor. of secs. 2, 3, 34 and 35, on the S. bdy. of the Tp. heretofore described. Thence I retrace N. bet. secs. 34 and 35. Set temporary point for the $\frac{1}{4}$ sec. cor. No traces of

40.00

the old $\frac{1}{4}$ sec. cor., are found after diligent search, I continue my retracement along same line.

Intersect E. and W. line 68 lks. E. of post, 4x4x36 ins. above ground marked for the cor. of secs. 26,27,34 and 35, witnessed by pits and mound of earth. The course of this mile is therefore N. 0° 29 W. 80.06

From the cor. of secs. 26, 27, 34 and 35 I retrace E. bet. secs. 26 and 35. Set temp. point for the $\frac{1}{4}$ cor. of secs. 26 and 35. No traces of the old $\frac{1}{4}$ cor. are found after careful search, 40.00 .

I continue my retracement E. along same line.
Intersect N. and S. line, 35 lks. N. of the old cor. of secs. 25, 26, 35 and 36, which is a 4x4 redwood post, 26 ins. above ground, marked for the cor. of secs. 25, 81.51 26, 35 and 36, witnessed by pits and mound of earth. The true course of this mile is therefore $8.89^{\circ}45'E$. At this cor. I set off 20° $32\frac{1}{2}$ ' N. on the decl. arc; and at noon obsrve the sun on the meridian, the resulting latitude is 40° 36'N.

From the cor. of secs. 25, 26, 35 and 36 I retrace N. bet. secs. 25 and 26.

Set a temp. point for the $\frac{1}{4}$ cor. of secs. 25 and 26. No traces of the old $\frac{1}{4}$ cor. are found after careful search. 40.00 I continue my retracement along same line.

Intersect E. and W. line, 114 lks. E. of the old cor. of secs. 13, 14, 23 and 24, which is a 2x4 redwood post, 30 80.13 ins. above the ground, marked and witnessed as described by the Surveyor General. The course of this mile is N.Oo 49'W. and the true distance is 80.13 chs.

From the cor. of secs. 23,24,25 and 26 I retrace W. bet. secs. 23 and 26. Set a temp. point for the $\frac{1}{4}$ cor. of secs. 23 and 26. No traces of the old $\frac{1}{4}$ cor. are found after careful 40.00 search July 21, 1914.

> Retraced by A.T. Harris. July 22,1914. At 8h. 00m. a.m., lm.t., I set off 40°37' N. on the lat. arc, 20° 23'N. on the decl. arc; and determine a meridian with the solar at the cor. of secs. 23, 24,25 and 26. Thence I retrace

N. bet. secs. 23 and 24. Set temp, point for the $\frac{1}{4}$ cor. of secs. 23 and 24. No traces of the old $\frac{1}{4}$ cor. are found after careful search. 40.00-I continue my retracement N. along same line.
