	Vegetation, sagebrush and a fair growth of grass.
	No timber.

Resurvey of W. Bdy. T. 33 N., R. 59 E.

As there are subdivisions dependent upon every part of this boundary, I preserve the old alignment of the entire boundary, reestablishing corners at proportionate re.
distances and constructing old corners where found, changing same to refer to corners for T. 33 N., R. 58 E.

As there have been no subdivisions tied to this boundary
