

6. Resurvey of N. Bdy. of T. 39 N., R. 22 E.

Chains
15.00
29.40
40.00

Draw, course E.
Draw, course S. 70°E.
Set an iron post, 3 ft. long, 1 in. in diam., 26 ins. in the ground for $\frac{1}{4}$ sec. cor. with brass cap marked

S 1 $\frac{1}{4}$

1914

and raise a mound of stone, 2 ft. base, 1 $\frac{1}{2}$ ft. high W. of corner.

53.00 Ridge, bears E. and W. descend 160 ft. on N. slope to corner.

72.74 Set temporary corner of Ts. 39 and 40 N., R. 22 E., the location and description of the permanent corner being recorded in the notes of the resurvey of the N. bdy. of T. 39 N., R. 22 E.

This line is on mountainous land, draining to the E. The soil is rocky and unfit for cultivation. Fair growth of sagebrush and grass. No timber.

October 15, 1914.

RESURVEY OF N. BDY. OF T. 39 N., R. 22 EAST

Having made an independent resurvey of the W. bdy. and the northern portion of the E. bdy. of T. 39 N., R. 22 E., it is necessary that I also make an independent resurvey of the N. bdy. I make such resurvey, searching the while for old corners, but finding none. I proceed as follows:

October 5: At 1h 30m p.m., l.m.t., I set off 41° 18' on the lat. arc and 4° 39'S., on the decl. arc, and determine a meridian with the solar at the cor. of Ts. 39 and 40 N., Rs. 21 and 22 E., described in Book A.

Thence I run on October 5 and 15 on a random line for distance only along the N. bdy. of T. 39 N., R. 22 E. and at 467.02 chs. intersect a point 16 lks. S. of my temp. cor. of Ts. 39 and 40 N., R. 22 E., and at point of intersection set an iron post, 3 ft. long, 3 ins. in diam., 15 ins. in the ground to solid rock and in a mound of stone, for cor. of Ts. 39 and 40 N., R. 22 E., with brass cap marked

T 40 N
R 22 E
S 36

and raise a mound of stone, 2 ft. base, 1 $\frac{1}{2}$ ft. high, W. of cor. The length of the E. bdy. of sec. 1 is therefore 72.58 chs.

October 5 and 15, 1914.

October 22: From the cor. of Ts. 39 and 40 N., R. 22 E., above described, I run

West, on a true line bet. secs. 1 and 36

Over mountainous land. Ascend 20 ft. on NE. slope.

7.50 Top of ascent; descend 60 ft. on NW. slope to draw.
29.40 Draw, course N. 30°E.; ascend 25 ft. on NE. slope to top of spur.

34.50 Spur, projects N.; descend 55 ft. on NW. slope.

40.00 Foot of descent; ascend 185 ft. to sec. cor., starting
