Timber, scattering cottonwood trees on bottom land.

Survey of Indian Allotments in T. 13 N., R. 28 E.

Note:

Preliminary to the survey of Indian Allotments, I made a partial subdivision survey of secs. 23, 26, and 36, setting temporary points at the theoretical locations for said subdivision lines, in accordance with the Special Instructions and the method of Subdivisions of Sections, contained in the Pamphlet for the Restoration of Lost and Obliterated Corners and Subdivisions of Sections.
