

## Retracements of Subdivisions of T. 43 N., R. 29 E.

Chains	From this cor., retrace North, bet. secs. 17 and 18.
40.00	After diligent search, I failed to find any trace of the old $\frac{1}{4}$ sec. cor.
80.00	After diligent search, I failed to find any trace of the old cor. of secs. 7, 8, 17 and 18
From the old cor. of secs. 17, 18, 19 and 20, heretofore described, I retrace East, bet. secs. 17 and 20.	
41.52	Fall 17 lks. S. of the old $\frac{1}{4}$ sec. cor., which is a mound of stone, partly buried in sod. The old granite stone which was mkd. has either been destroyed or marks obliterated. The course of this $\frac{1}{2}$ mile is therefore S. 89° 46' W., and its length is 41.52 chs.
3.82	From this cor., retrace East, bet. secs. 17 and 20. Intersect W. Bdy. of T. 44 N., R. 30 E., at a point 24.39 chs. S. of the cor. of secs. 25, 30, 31 and 36, as set under the 1918 survey, and which is an iron post, 2 ins. diam., 12 ins. above the ground, firmly set, mkd. and witnessed as described by the surveyor general.
40.00	Thence from point of intersection, continue my line and measurement. After diligent search, I failed to find any trace of the old cor. of secs. 16, 17, 20 and 21.
<p>Note: I make further retracements of the following subdivision lines, bet. secs. 16 and 21; 15 and 16; 16 and 17; 9 and 10; 3 and 10; 4 and 9; 8 and 9; 5 and 8; and 9 and 16; and after diligent search, fail to find any of the original <math>\frac{1}{4}</math> sec. and sec. cors. The topography on these lines agree to a certain extent with the field notes of the original survey and prove conclusively that a portion of the subdivisions of T. 43 N., R. 29 E. are overlapped by the survey of T. 44 N., R. 30 E. Therefore proceeded with a correction survey of T. 44 N., R. 30 E. as follows:</p> <p>The Pacific Live Stock Company's holdings in T. 43 N., R. 29 E., described as follows:</p> <p><math>E\frac{1}{2}</math> NE<math>\frac{1}{4}</math>, <math>E\frac{1}{2}</math> SE<math>\frac{1}{4}</math>, list 10; NW<math>\frac{1}{4}</math> NE<math>\frac{1}{4}</math>, list 25; SW<math>\frac{1}{4}</math> NE<math>\frac{1}{4}</math>, W<math>\frac{1}{2}</math> SE<math>\frac{1}{4}</math>, list 28, Sec. 8.</p> <p><math>N\frac{1}{2}</math> NE<math>\frac{1}{4}</math>, <math>N\frac{1}{2}</math> NW<math>\frac{1}{4}</math>, SW<math>\frac{1}{4}</math> NW<math>\frac{1}{4}</math>, list 10; SE<math>\frac{1}{4}</math> NW<math>\frac{1}{4}</math>, list 25, Sec. 9.</p> <p><math>N\frac{1}{2}</math> NW<math>\frac{1}{4}</math>, list 5, Sec. 10.</p>
