

## Subdivisions T. 31 N., R. 29 E.

| Chains |                                                                                                                                                                                                                      |
|--------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 40.00  | Set temp. $\frac{1}{4}$ sec. cor.                                                                                                                                                                                    |
| 79.29  | Intersect the cor. of secs. 1, 6, 7, and 12, on W. boundary of township                                                                                                                                              |
|        | Thence                                                                                                                                                                                                               |
|        | East, on a true line between secs. 6 and 7                                                                                                                                                                           |
|        | Over rough mountainous land. Through scattering timber                                                                                                                                                               |
|        | Asc. rocky NW. slope 105 ft. to                                                                                                                                                                                      |
| 7.60   | Rocky spur, projects N. Desc. NE. slope 55 ft. to                                                                                                                                                                    |
| 11.60  | Head of ravine, drains N. $5^{\circ}$ E. Asc. steep rocky NW. slope 155 ft. to spur ridge                                                                                                                            |
| 20.40  | Fence, bears N. $15^{\circ}$ W. and S. $15^{\circ}$ E.                                                                                                                                                               |
| 27.15  | Spur ridge, projects N. $30^{\circ}$ E. from S. $30^{\circ}$ W. Desc. steep rocky E. slope 470 ft. to 48.20                                                                                                          |
| 39.29  | On rocky E. slope                                                                                                                                                                                                    |
|        | Set an iron post, 3 ft. long, 1 in. dia., 8 ins. in the ground to solid rock, in a mound of stone, for the $\frac{1}{4}$ sec. cor., with brass cap mkd                                                               |
|        | $\begin{array}{r} S\ 6 \\ \hline S\ 7 \\ 1927 \end{array}$                                                                                                                                                           |
|        | At base of post deposit a marked (X) stone, 2x5x7 ins.                                                                                                                                                               |
| 46.80  | Fence, bears N. and S.                                                                                                                                                                                               |
| 48.20  | Wash in canyon, 25 lks. wide, 4 ft. deep, drains N., stream of water, 2 lks. wide, 2 ins. deep,                                                                                                                      |
|        | Asc. steep general rocky NW. slope 410 ft. to sec. cor                                                                                                                                                               |
| 75.80  | Draw, drains N. $80^{\circ}$ W. Slope changes to SW.                                                                                                                                                                 |
| 79.29  | The cor. of secs. 5, 6, 7, and 8                                                                                                                                                                                     |
|        | Land, rough mountainous. Soil, rocky.                                                                                                                                                                                |
|        | Timber, few scattering juniper. Undergrowth, sagebrush.                                                                                                                                                              |
|        | General drainage, NW. Grazing, fair.                                                                                                                                                                                 |
|        | N. $0^{\circ}$ $03'$ W., on a random line between secs. 5 and 6                                                                                                                                                      |
| 40.00  | Set temp. $\frac{1}{4}$ sec. cor.                                                                                                                                                                                    |
| 81.30  | Intersect N. boundary of the township 21 lks. W. of the cor. of secs. 31 and 32, T. 32 N., R. 29 E., which is a 2 in. iron post, firmly set in the ground and a mound of stone, marked and witnessed as described in |
