

384

.Subdivision of T. 3 N., R. 157 E.

vey No. 37 of the old Springfield Mining District, patented in 1887, was found in section 15 and includes some of the land subsequently included in H.E.S. No. 198 patented in 1916. Two of the mining claim corners were found in place, and the others were relocated at record course and distance from the ones found. A U. S. Mineral Monument No. 1 of the old Springfield Mining District was found to occupy a position in the mound supporting Corner No. 7 of H.E.S. No. 197, and no trace of the original mineral monument could be found. A record of the retracement follows:

Beginning at Corner No. 1 Comet Lode, U. S. Survey No. 37, a pine stake, 4 ins. square and 3 ft. long, firmly set in a mound of stone, and having scribe marks, which, however, were not readable.

Thence

N. 9°12' E. on true line between corners 1 and 4.

22.695 Intersect Corner No. 4, Comet Lode, U. S. Survey No. 37, a juniper post, 3 ins. square, scribed USS No. 37 on one side and Post 4 on the opposite side, firmly set in a mound of stone and witnessed by two bearing trees; a pine 4 ins. in diameter, marked COR No. 4 USS37BT, bearing 1.61 chains S. 69°08' E., also a pine, 2 ins. in diameter, marked BT and bearing 1.17 chains S. 1°43' W.

Thence S. 79°45' E. (record course) on line 4-3.

9.091 Set a temporary point for Corner No. 3, no trace of the original post can be found.

Thence

S. 9°12' W. (parallel to line 1-4) on line 3-2.

11.595 Intersect line 2-3 of H.E.S. No. 198 at a point .460 chains N. 60°44' E. of Corner No. 2, described in the official record.

17.467 Intersect lines 10-1 of H.E.S. No. 198 at a point .395 chains N. 73°20' E. of Corner No. 1, described in the official record.

22.695 Set a temporary point for Corner No. 2, no trace of the original post can be found.

Thence

N. 79°45' W. (record course) on line 2-1.

9.091 Intersect Post No. 1, heretofore described, and the place of beginning.

GENERAL DESCRIPTION.

The land embraced in the township ranges from a nearly level bench in the SE. and E. sections to high and
