17.06

The closing cor. of secs. 10 and 15, heretofore described.

20.00

Angle point 1.37, the place of beginning.

Tract 38.

Homestead Entry, No. 09075, Wm. G. Potter, Jr., entryman, embracing the NW $\frac{1}{4}$ NE $\frac{1}{4}$, the N $\frac{1}{2}$ NW $\frac{1}{4}$, the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of sec. 16. Patented. 160 acres.

Property lines for all holdings in this entry were based upon and referenced to the accepted center of original sec. 16, heretofore described.

Control for the location of this entry is taken from fence lines and lines of culture which are mutually accepted and agreed upon as delineating the outboundaries of the various tracts, and which are found to be in relative harmony with the accepted center of original sec. 16.

These evidences of the various boundary lines are followed and cors. are established in harmony therewith. Where no lines of culture definitely mark the outboundaries, courses and distances, normal to, and in harmony with existing control, are used.
