

Survey of a Portion of the Subdivision, T. 21 S., R. 59 E.

Chains

Land, mostly rolling desert valley.
Soil, mostly sandy and gravelly clay loam.
Timber, none.
Undergrowth, Yucca and creosote brush.

GENERAL DESCRIPTION

Sec. 6 is situated about 15 miles west of Las Vegas, Nevada. Except for a few acres of mountainous land in the southwest corner of the section, sec. 6 lies in nearly flat or rolling desert valley area. The area is easily accessible by means of a good road leading eastward towards Las Vegas.

The area of sec. 6 and vicinity is well suited for small tract purposes and this is undoubtedly the best use to which this land can be applied at the present time.
