

## Dependent Resurvey of the East Boundary of T. 21 S., R. 62 E.

| Chains |                                                                                                                                                                                   |
|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|        | Land, rolling and broken.<br>Soil, sand, gravel, and rock, 4th rate.<br>No timber.<br>Undergrowth, mesquite, greasewood, shadscale, rabbit and burro brush.<br>Poor grazing land. |
|        | N. 3° 30' W., bet. secs. 1 and 6.                                                                                                                                                 |
|        | Over broken mountainous land, through short undergrowth; gradually descend.                                                                                                       |
| 0.50   | Wash, drains W.                                                                                                                                                                   |
| 2.60   | Spur, projects W.                                                                                                                                                                 |
| 4.90   | Wash, drains N. 85° W.                                                                                                                                                            |
| 8.50   | Ridge of spur, bears N. 80° W.                                                                                                                                                    |
| 10.40  | Wash, drains S. 85° W., 100 ft. below sec. cor.                                                                                                                                   |
| 13.10  | Junction of washes from NE. and SE., drains W.; gradually ascend.                                                                                                                 |
| 17.80  | Enter wash, drains S. 20° W.                                                                                                                                                      |
| 26.50  | Leave wash, drains S. 20° W.                                                                                                                                                      |
| 30.50  | Enter wash, drains S. 10° W.                                                                                                                                                      |
| 36.60  | Leave wash, drains S. 10° W.                                                                                                                                                      |
| 41.51  | Proportionate point.<br><br>Set an iron post, 3 ft. long, 1 in. diam., 28 ins. in the ground, for $\frac{1}{4}$ sec. cor., with brass cap mkd.                                    |
|        | <div style="text-align: center;"> <math>\frac{1}{4}</math><br/>           S 1   S 6<br/>           1943         </div>                                                            |
|        | raise a mound<br>of stone, 2½ ft. base, 1½ ft. high, W. of cor.                                                                                                                   |
| 44.30  | Road in wash, bears N. 15° E. and S. 15° W.; wash drains S. 15° W.                                                                                                                |
| 55.80  | Wash, drains E.                                                                                                                                                                   |
| 57.40  | Small spur, projects E.                                                                                                                                                           |
| 61.50  | Wash, drains E.                                                                                                                                                                   |
| 70.30  | Small spur, projects E.                                                                                                                                                           |
| 71.30  | Small wash, drains E.                                                                                                                                                             |
| 74.40  | Small spur, projects E., 110 ft. above $\frac{1}{4}$ sec. cor.; descend 110 ft. to closing cor.                                                                                   |
| 78.60  | Small spur, projects E.                                                                                                                                                           |
| 81.20  | Wash, drains E.                                                                                                                                                                   |
| 81.79  | Intersect the Fifth Standard Parallel South, S. 89° 31' W., 14.49 chs. dist. from the stan. cor. of Tps. 20 S., Rs. 62 and 63 E.                                                  |
|        | At point of intersection                                                                                                                                                          |
