

DEPENDENT RESURVEY OF A PORTION
OF THE SUBDIVISIONAL LINES, T. 16 N., R. 28 E.

CHAINS

GENERAL DESCRIPTION

Township 16 North, Range 28 East, M.D.M., is situated about 15 miles SSW. of Fallon, Nevada. Access to the area is provided by several trail roads branching from nearby U. S. Highway No. 95.

Elevation above sea level, in the portion surveyed, varies from about 4070 to 4300 ft. Terrain is nearly level to hilly. Vegetation is principally sagebrush and native grasses. Soil is sandy to sandy clay and rocky.

No improvements nor water sources were noted. Principal users of the area are stockmen.
