		<div>GENERAL DESCRIPTION</div> <div>Township 15 South, Range 68 East, is located approximately 3 miles northeast of Overton, Nevada, lying mainly on Mormon Mesa. The Virgin River traverses along the east boundary of the township in a southerly direction. The elevation ranges from about 1,200 to 1,900 ft. above sea level. The soil is sandy. The vegetation consists of budsage and shadscale at the lower elevations with tamarack along the river bottom and greasewood on the mesa.</div> <div>There is a ranch located in section 36. No mineral formations of consequence were noted during the survey.</div> <div>Access into the area is provided by a graded road from the Overton airport on to the mesa with several trail roads traversing the area.</div>
