

DEPENDENT RESURVEY OF A PORTION OF THE NORTH BOUNDARY OF  
T. 24 N., R. 18 E.

CHAINS	<p>From this corner, Mile Post 139, Nevada-California bears S. <math>0^{\circ} 25'</math> W., 2.58 chs. dist. This conforms exactly with the tie given by W. A. Pray, U. S. Surveyor, in 1915. The next mile post recovered to the North in Pray's 1912 State Line Retracement was 133, some 6 miles distant. Due to this fact and the conformance with the 1915 tie, the State Line was not retraced to the North.</p>
