

TOWNSHIP 3 SOUTH, RANGE 54 EAST, MDM, NEVADA

CHAINS

The following field notes are those of the dependent resurvey of a portion of the north boundary of Township 3 South, Range 54 East, Mount Diablo Meridian, Nevada.

The boundaries and subdivisional lines were surveyed by U.S. Deputy Surveyors Reilly and Magee in 1881, under Contract No. 117. The east boundary, east 3 miles of the north and south boundaries, and the east 2 tiers of the subdivisions were resurveyed by Cadastral Surveyor E.W. Sibley in 1964, under Group No. 410.

Before restoring the corners, the lines of the original surveys were retraced and diligent search made for any evidence of the original corners and other calls of the original field note record.

The rules of proportionate measurement were applied in order to ascertain the position of lost corners, after completing the necessary retracements to connect with the identified corner locations. In order to simplify the record, the true line notes only are supplied herewith, which refer to the completed resurvey.

The survey was executed in accordance with the specifications as set forth in the Manual of Surveying Instructions, 1973, and the Special Instructions dated May 25, 1977.

The directions of the lines of this survey were determined by azimuth taken from U.S.C. & G.S. triangulation station "SHARP", located in sec. 22, T. 3 S., R. 54 E.

The geographic position for the northeast cor. of sec. 4, T. 3 S., R. 54 E., is at latitude $37^{\circ} 43' 23''$ N. and longitude $115^{\circ} 53' 50''$ W., as calculated from U.S.C. & G.S. triangulation station "SHARP".

The mean magnetic declination was found to be $16\frac{1}{2}^{\circ}$ E.

DEPENDENT RESURVEY OF A PORTION OF THE NORTH BOUNDARY
T. 3 S., R. 54 E., MOUNT DIABLO MERIDIAN, NEVADA.

Reestablishment of a Portion of the Survey Executed by
Reilly and Magee, U.S. Deputy Surveyors,
in 1881.

From the cor. of secs. 3, 4, 33 and 34, Tps. 2 and 3 S., R. 54 E., monumented with an iron post, $2\frac{1}{2}$ ins. diam., exposed 8 ins. above the ground, with brass cap mkd. as described in the field notes of the dependent resurvey of a portion of the north boundary of T. 3 S., R. 54 E., executed under Group No. 410.
