GENERAL DESCRIPTION	
<p>The land within Township 42 North, Range 19 East is about 5,500 to 6,700 ft. above sea level and is nearly level to gently rolling land. The soil is sandy alkaline on the lower elevations and rocky on the higher elevations. The land is covered with scattered juniper, sagebrush, bunchgrass, rabbitbrush and greasewood.</p> <p>Access into the township is provided by Nevada State Highway No. 8-A, which crosses from east to west, entering in section 12 and leaving in section 6 and State Route No. 34 which enters the township in section 34 and leaves in section 4. There are other gravel roads and trail roads throughout the township.</p> <p>Principal users of the area are ranchers.</p>
