TOWNSHIP 17 SOUTH, RANGE 65 EAST, MDM, NEVADA

CHAINS	GENERAL DESCRIPTION
	<p>The land within the confines of the survey in Township 17 South, Range 65 East, located just south of the Moapa Indian Reservation is nearly level to gently rolling desert land at about 2000 ft. in elevation. There are a few washes draining northerly and the soil is a mix of sand and rock. Vegetation consists of chaparral, creosote brush and cacti.</p> <p>Access is gained to this area by Valley of Fire County Road via the Valley of Fire off-ramp of Interstate Highway No. 15. This traverses section 8 in a southeasterly direction. There is an east-west trail road just north of the north boundary.</p> <p>No mineral formations of consequence were noted during the survey.</p>
