	<hr/> <p style="text-align: center;">GENERAL DESCRIPTION</p> <p>The area resurveyed and surveyed within Township 2 North, Range 42 East, is located at the southeast end of Tonopah, Nevada and varies from rolling hills to mountainous. The elevation varies from about 6,000 to 7,000 ft. above sea level. The soil varies from sandy loam in the lower elevations to very rocky in the higher elevations and the vegetation in the area consists of shadscale and sagebrush.</p> <p>U.S. Highway No. 95 crosses the area from NW. to SE. then curves from NE. to SW. Further access into the area is provided by U.S. Highway No. 6 and crosses the area from E. to W. There are numerous paved streets, gravel and trail roads.</p> <p>There are numerous mineral surveys in the northern portion of sections 1 and 2.</p> <p>There is a ballpark and shopping center situated near the center of section 1. The Tonopah Hospital is situated in the NW ¼ of section 1 and the United States Forest Service office is situated in the southwest ¼ of section 1.</p> <hr/>
