

DEPENDENT RESURVEY OF A PORTION OF THE SUBDIVISIONAL LINES,
T. 18 S., R. 60 E., MOUNT DIABLO MERIDIAN, NEVADA

CHAINS	Reestablishment of the Survey Executed By U.S. Deputy Surveyors R.H. Woods and W.H. Myrick in 1882 From the 1/4 sec. cor. of secs. 35 and 36, perpetuated by Robert L. Pounds, Nevada Professional Land Surveyor No. 3687, in 2004, monumented with a rebar, 5/8 in. diam., 18 ins. long, firmly set, projecting 4 ins. above the ground, as recorded in Clark County, Nevada, File 142, Page 30 of Surveys. This rebar was subsequently recovered by Frederick W. Orban, Nevada Professional Land Surveyor No. 4541, in 2007, as recorded in Clark County, Nevada, File 167, Page 33 of Surveys. This is accepted as a careful and faithful perpetuation of the position of the original corner. At the corner point Set a stainless steel post, 28 ins. long, 2 1/2 ins. diam., 20 ins. in the ground, over a plastic-encased magnet and in a mound of stone, 3 ft. base, to top, with brass cap mkd. T18S R60E 1/4 S35 S36 2009 Insert the rebar inside the stainless steel post. N. 2°53'00" W., bet. secs. 35 and 36. Ascend gradual SW slope, with scattered yucca and greasewood. 39.138 Point for the cor. of secs. 25, 26, 35 and 36, at proportionate distance; there is no remaining evidence of the original corner. Set a stainless steel post, 28 ins. long, 2 1/2 ins. diam., 20 ins. in the ground, over a plastic-encased magnet and in a mound of stone, 3 ft. base, to top, with brass cap mkd. T18S R60E S26 S25 S35 S36 2009 From this point, a position determined by Frederick W. Orban, Nevada Professional Land Surveyor No. 4541, in 2007, monumented with a rebar, 5/8 in. diam., firmly set, projecting 2 ins. above the ground, with an aluminum cap mkd. FW ORBAN T18S R60E 25 26 35 36 PLS 4541, as recorded in Clark County, Nevada, File 167, Page 33 of Surveys, bears S. 78°47' E., 0.051 chs. dist. This point previously determined by Robert L. Pounds, Nevada Professional Land Surveyor No. 3687, in 2004, as recorded in Clark County, Nevada, File 142, Page 30 of Surveys, was established using incorrect record data and was not utilized during the course of this survey.
