

A graphical scale bar labeled "Scale in Chains". The scale has markings at 10, 5, 0, 10, 20, 30, 40, and 50. The distance between 0 and 10 is divided into 10 equal segments, each representing 1 chain. The distance between 10 and 20 is divided into 2 equal segments, each representing 10 chains. The distance between 20 and 30 is divided into 2 equal segments, each representing 10 chains. The distance between 30 and 40 is divided into 2 equal segments, each representing 10 chains. The distance between 40 and 50 is divided into 2 equal segments, each representing 10 chains.
