

This is a detailed historical map of a 36-section township, likely in the state of Texas, given the mention of "Mesquite" and "Bunchgrass". The map is divided into 36 sections, numbered 1 through 36. Each section is labeled with its number and a value, possibly representing acreage or a survey number. The sections are arranged in a 6x6 grid. The map includes several geographical features: "Wash" (washes) and "Gulch" (gulches) are labeled throughout the township. The central area is labeled "ROLLING LAND with Sagebrush, Bunchgrass and Mesquite". The southern area is labeled "MOUNTAINS". The map also shows a network of roads or trails, some labeled "R.R." (railroad). The map is oriented with North at the top. A scale bar at the bottom right indicates "Scale 40 Chains to an Inch". The map is a reproduction of a historical document, with some text and numbers in red ink.
