

This is a detailed historical map of a 36-section township, likely in Utah, showing land parcels, section numbers, acreage, and geographical features. The map is divided into 36 sections, numbered 1 through 36. Each section contains a red number indicating its acreage. The map is bounded by the Alkali Desert to the west and the Cottonwood Mountains to the east. A creek, Cottonwood Creek, flows through the center of the township. The map also shows various landmarks, including a 'Field', a 'House', and a 'Spring'. The map is oriented with North at the top, and the township is bounded by the 37th and 38th parallels of latitude. The map is a historical document, likely a plat map, showing the original land divisions and acreage of the township.
