

This is a detailed historical land survey map, likely from the Dakota Territory. The map shows a grid of 36 sections of land, numbered 1 through 36. Each section is labeled with its acreage: 80, 160, or 320. The map includes a river (Raf) and a road (Road from Abels Camp to Winnebago). A railroad is also shown, labeled "Dense Gravel". The map is titled "SEVENTH STANDARD PARALLEL NORTH" and includes a scale bar at the bottom. The map is oriented with North at the top.
